Technology Training for Teachers

Sponsored by the San Diego Supercomputer Center
University of California, San Diego

Beginning SMART™ Interactive White Board Training (Course fee: \$45.00)

Monday, August 3, 2009

Class meets in the SDSC Training Room from 8:30 a.m. – 3:00 p.m.

Beginning SMART™ Interactive White Board Training

Presenter: Kelly Smith, SMART™ Exemplary Teacher

Course Overview:

This is a beginning workshop for teachers who are starting to use or who are interested in using a SMART™ Interactive Whiteboard. This workshop will introduce you to SMART™ Board hardware and software. You will learn how to create engaging interactive lessons to meet the needs of your students, as well as find lessons and templates that correlate to the standards. This workshop, appropriate for teachers of all grade levels, will give practical ways on how to keep students focused and engaged while learning key components of the curriculum.

What to Expect:

- Training on SMART™ software and hardware
- Exploration of SMART™ Notebook software, resources, and tools
- Learn how to download pre-made lessons from the web
- Time to build, collaborate, and share your SMART™ lesson
- Obtain reference materials to take home to further your learning

What to bring:

- USB travel drive
- Classroom resources that will be needed to build your lesson and or unit (textbooks, planners, workbooks)
- Lunch each day or you may purchase lunch on campus.

Workshop Highlights:

- On-site computer lab for teacher use or bring your personal laptop with Notebook software installed
- Tutors available
- Handouts will be provided
- Classroom demonstration lessons
- Hands on time to practice

Prerequisites:

- Must be a current K - 14 teacher
- Comfortable using the Mac or PC operating system
- Curriculum piece to develop during course

Professional Development Credit is available via UCSD Extension for \$55.00 per unit. This is a one-quarter unit course.
