

TeacherTECH 2009

Technology Training for Teachers

Sponsored by the San Diego Supercomputer Center
University of California, San Diego

Intermediate/Advanced SMART™ Interactive White Board Training (Course fee: \$45.00)

Tuesday, August 4, 2009

Class meets in the SDSC Training Room from 8:30 a.m. – 3:00 p.m.

Intermediate/Advanced SMART™ Interactive White Board Training

Presenter: Kelly Smith, SMART™ Exemplary Teacher

Course Overview:

This SMART™ workshop is intended for teachers who want to master the advanced features of the SMART™ software and hardware. By the end of the two days you will have learned how to incorporate the SMART™ Board into your existing curriculum while having the time to prepare and share lessons or units to be used in your classroom.

What to Expect:

- Training on SMART™ software and hardware, including Notebook, Airliner, and Senteo system
- Intensive training of SMART™ Notebook software and peripherals
- Exploration of the SMART™ Technologies website and resources
- Training on how to download pre-made lessons
- Time to build, collaborate, and share your SMART™ lesson
- You will be given reference materials to take home to further your learning

What to bring:

- USB travel drive
- Classroom resources that will be needed to build your lesson and or unit (textbooks, planners, workbooks)
- Lunch each day or you may purchase lunch on campus.

Workshop Highlights:

- On-site computer lab for teacher use or bring your personal laptop with Notebook software installed
- Tutors available
- Handouts will be provided
- Classroom demonstration lessons
- Hands on time to practice

Professional Development Credit is available via UCSD Extension for \$55.00 per unit. This is a one-quarter unit course.

Prerequisites:

- Must be a current K - 14 teacher
- Must have experience using the SMART™ Interactive White Board and software
- Comfortable using the Mac or PC operating system
- Curriculum piece to develop during course
